

HOME REBATE CATALOG

Save money on qualified home cooling systems, appliances, and more.

Modesto Irrigation District (MID) offers rebates on many energy-efficient products and improvements for your home. When you purchase and install these products, you can save energy and money while reducing your impact on the environment.

The power is in your hands.

Learn more at mid.org

HOW TO APPLY

1. Read the Terms and Conditions at mid.org to determine if you are eligible for a rebate.
2. Locate the item(s) that you are applying for in this catalog. Be sure to review the important qualification information.
3. Purchase and install the qualifying product(s) in your home.
4. Complete, sign and submit your application, with all necessary documents, within 90 days of purchase.
5. Rebate amount is based on the program offering and funding levels applicable on the date the application is received.
6. Please send completed forms and **required documentation with proof of purchase** to:

MID Energy Services
PO BOX 4060
Modesto, CA 95352

MID also offers several financial and medical discount programs for customers who qualify. Visit mid.org to see if you are eligible.

ELECTRIC VEHICLE CHARGER

Please read the details below to ensure you are installing a qualifying product(s).

LEVEL 2 ELECTRIC VEHICLE CHARGER

Requirements

- Residential charger must be a 240 volt plug in or hard wired, factory designed permanent wall mount unit. Portable chargers do not qualify. Compliance with local building codes and related inspections are required.
- EV chargers must be for the sole use of Department of Transportation-approved highway vehicles.
- The Level 2 charger(s) must be installed at the same address that appears on the California Department of Motor Vehicles registration of the electric vehicle being charged.
- Qualifying Level 2 charger(s) must be new and unused and certified by either Underwriters Laboratories Inc. (UL Listed) and/or ETL Intertek listed.

Documents Needed

- Paid in full invoice where qualifying EV charger is itemized.
- Copy of DMV registration.

Limitations

- Limit 2 Electric Vehicle Charger rebates, one per registered vehicle, per household.

Exclusions

- Chargers for carts, motorcycles, electric scooters and portable chargers do not qualify for this incentive.
- Installation cost does not qualify for rebate.

HOME COOLING

CENTRAL AIR CONDITIONER/ HEAT PUMP

Requirements

- A California State License Board contractor in good standing with a C-20 license must perform installation.
- Brand name and model numbers must be included on invoice.
- Unit must be listed (Active Status) on the Consortium for Energy Efficiency (CEE) Directory of Efficient Equipment (www.ahrinet.org).
- Split systems require installation of matching (indoor) coil.
- Split systems using water/evaporative-cooled condensers may be eligible provided the air conditioning system has a current AHRI Certificate of Product Ratings. MID will determine qualification of rebate.
- For rooftop installations, customer must provide code compliant access for MID inspection.
- Copy of the permit (city or county).

Limitations

- Limit 2 Central Air Conditioner/Heat Pump rebates per household.
- Maximum cooling capacity 65,000 Btu/h (5 Tons) per unit.

Other Information

Rebate given for replacing an existing home air conditioner or adding a new unit.

Sales receipt or invoice must clearly state the manufacturer and model of the ENERGY STAR® Smart Thermostat Installed.

GENERAL IMPROVEMENT

ATTIC INSULATION

Requirements

- Must have pre-retrofit insulation level of R-11 or less.
- Final insulation level must be R-30 or greater.
- When adequate attic crawl space is not available (24 inches from ceiling joist to roof rafters), the minimum purchased insulation level must be R-19.
- Primary heat source must be electric.

Limitations

- Maximum rebate of \$850, per household.

Exclusions

- Garages and other non-living areas do not qualify.
- Homes with natural gas or propane as primary heat source do not qualify.

REBATE PER SQUARE FOOT

RADIANT BARRIER

Requirements

- Residence must have central air conditioning system (portable A/C units and evaporative (swamp) coolers do not qualify.)
- Rebate applies to square footage of central air-conditioned space of the first floor only.
- Must have a radiant heat rejection rating of 95% or greater and must meet ENERGY STAR® emissivity requirements.
- Radiant barrier applied to roof sheeting, attached to rafters or laid over existing attic insulation.

Limitations

- Maximum rebate of \$500, per household.

Other Information

- Can be installed by a contractor or self-installed by homeowner.
- Conventional architectural overhangs are allowed in the square footage.

ENERGY STAR® HEAT PUMP STORAGE WATER HEATER

Requirements

- Must qualify as an ENERGY STAR® Heat Pump Water Heater see www.energystar.gov/productfinder/product/certified-water-heaters for a list of qualified heat pump water heaters.
- Must replace electric tank storage water heater.
- Must have a Uniform Energy Factor (UEF) of 2.2 or greater.
- Must have a capacity greater than 40 gallons.
- Must be installed outside the air-conditioned living space such as attic, garage, crawlspace, or unheated/unfinished basement.

Limitations

- Limit 1 ENERGY STAR® qualified Heat Pump Water Heater rebate per household.

REBATE ID HA206

WINDOW SUN SHADING

SUNSCREEN AND WINDOW FILM

Requirements

- Number of sunscreens or window film and square feet installed must be included on invoice.
- Must be installed according to the manufacturer's instruction on south, east, or west facing windows (any direction except 45 degrees of true north). Qualification of marginal orientations and/or circumstances is subject to the sole discretion of MID.
- Must be installed in space conditioned by refrigerant-based air conditioning (central, window, or wall unit).
- Must cover the entire window aperture.
WINDOW FILM: Must have a SHGC of .39 or less
SUNSCREENS: Must have a SHGC of .35 or less,
- Must have a rigid frame and be attached to the window perimeter.

Exclusions

WINDOW FILM: Windows must not be shaded by existing awnings, exterior curtains or blinds or any other shading device.
SUNSCREENS Awnings and interior window treatments (curtains, blinds, and shutters) are not eligible for Sunscreen rebate.

ENERGY STAR® REPLACEMENT WINDOW

Requirements

- Number of windows and square feet installed must be included on invoice.
- Must replace existing windows with new high performance dual pane ENERGY STAR® qualified windows.
- Must be installed according to the manufacturer's instruction on south, east, or west facing windows (any direction except 45 degrees of true north). Qualification of marginal orientations and/or circumstances is subject to the sole discretion of MID.
- Windows must have a **U-factor of 0.30 or less, and a Solar Heat Gain Coefficient (SHGC) of 0.25 or less**, which are the ENERGY STAR® performance criteria for windows in the South Central climate zone.
- Must be installed in space conditioned by refrigerated air conditioning (central, window, or wall unit).

Documents Needed

1. A copy of the NFRC sticker from the window for each window type must be included with the application.
2. Itemized invoice must include the number of windows and square feet.

POOL FILTRATION PUMP

ENERGY STAR® VARIABLE-SPEED POOL PUMP AND MOTOR

Requirements

- All manufacturer installation requirements must be followed.
- Permit required if electrical upgrades required.
- Only variable-speed units are eligible for rebate.
- See www.energystar.gov/products/pool_pumps for a list of qualified units.
- Equipment and materials must meet or exceed all applicable local, state, and federal standards.
- Must be installed on new or existing residential in-ground swimming pools for primary filtration only.

Limitations

- Limit 2 qualified ENERGY STAR® Variable Speed Pool Pump & Motor rebates per household.

Exclusions

- Above-ground pool, pond, pool cleaner booster, spa and water feature pumps, and rewinding of motors do not qualify.
- Cannot exceed three horsepower.
- Replacement units must be of equal or lesser horsepower than existing single or two speed pump and motor (retrofit only).

TERMS AND CONDITIONS

General

- MID reserves the right, without prior notice, to periodically review and make changes to rebate program terms and conditions, and to determine final program eligibility.
- MID makes no representation or warranty and assumes no liability with respect to quality, safety, performance, or other aspect of design, system or appliance installed pursuant to this agreement and expressly disclaims any such representation, warranty or liability.
- All product installations that receive a rebate are subject to MID inspection.
- Rebates are issued at the sole discretion of MID.

Availability

- Rebate amount is based on the program offering and funding levels applicable on the date the application is received and is offered on a first come - first served basis, subject to availability of funds.
- MID rebate funding is not guaranteed until the application has been approved.
- Rebates are available only for products that are not required by or are in excess of CA Title 24 requirements, when applicable. MID may request Title 24 compliance documentation before approving any rebate.

Eligibility

- Rebates are provided for qualifying product(s) installed in a residential dwelling receiving electricity from MID to customers in good financial standing with MID (subject to MID approval).
- Qualifying products must be installed before submitting your application. It is the responsibility of the contractor and customer to ensure installation is done in accordance with all applicable city, state, and national standards, codes and ordinances as enforced by the local compliance authority.

- Products can only receive one rebate from MID during its useful life period. Reapplication for rebate will not be accepted during this period.
- MID reserves the right to request specific manufacturer specifications and/or data for any product.
- The application and supporting materials should be legible, **submitted to MID within 90 days of purchase date.**
- Owners of rental units should submit a separate rebate application for each service address.
- For newly constructed homes, qualifying measures, or products purchased and installed after the certificate of occupancy has been issued by the city or county are eligible for rebate under this program.
- **Previously owned equipment does not qualify for a MID rebate.**

Processing

- Only complete applications will be processed for rebates. **Complete applications include signature, proof(s) of purchase, and required documentation for all products referenced in the application.**
- For incomplete applications, MID will notify customer of missing documentation. If the required documentation is not received by MID within 30 days, the application will be voided.
- Rebates take six to eight weeks to process.

Purchase

- Purchase and install qualifying product(s) new at retail price. See catalog for item details.
- For all qualifying measures, the product purchase date is determined by proof of purchase documents, such as the customer acceptance date of a contract for services, a detailed itemized and dated paid invoice, contract, or the printed date on a store cash register receipt.
- Proof of purchase document(s) must include price per product and detailed payment terms or "type of transaction" (i.e., cash, credit, etc.).

Payment

- To Customers/Tenant - **Rebates will be issued as a credit on the customer's MID bill.** Landlords that submit for rebates on their property will receive a check. (See required W-9 information below).
- IRS W-9 form is required for rebates issued by check. IRS W-9 form must be current version. In requesting a W-9 MID makes no inference the rebate is or is not subject to Federal and/or State income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. MID is not responsible for any taxes that may be imposed as a result of these rebates.
- In no case will MID pay more than 100% of the eligible costs of the qualifying product(s) **(excludes installation, taxes, shipping and handling, warranty costs, and minus any funds received from other sources).**
- Funds received from other sources may reduce the rebate amount from MID. Applicants are required to inform MID of any other incentives for which they have applied and/or may receive. These sources include all third-party energy efficiency programs offering direct funding, financing, or rebates (other than tax credits). The funded amount(s) will be deducted from the actual and documented Project Cost and the maximum accrued rebate will not exceed net Project Costs.
