

### **Applicability**

The Capital Infrastructure Adjustment (CIA) is applicable to all areas served by the District and to all kilowatt-hours (kWh) billed under all rate schedules. Each customer shall pay the applicable rate plus the CIA for each kWh delivered to the customer. The adjustment shall be the product of the total kWh for which the bill is rendered times the CIA amount per kWh.

### **Application of Charges**

The revenue yielded from the CIA will go towards deferring future debt and paying down existing debt.

### **Electric Service Rules**

Service under this Schedule is subject to the District's Electric Service Rules as they may be amended from time to time.
