## MID BALANCED PAYMENT PLAN (BPP)

The Balanced Payment Plan (BPP) program is a voluntary program that allows a residential customer to pay equal monthly payments for electric service. The monthly payment is based on an average of the customer's past twelve-month billing history, or using previous history for the same months remaining through the end of the year.

### Eligibility is based on the following conditions:

- The BPP program is available to residential customers who have had an account with the District for the last twelve consecutive months.
- To participate in the BPP program, your account is paid in full (no past due account balance).
- The District has a signed, completed, approved BPP application on file for the requested account.

### Participation:

- Once approved, the BPP program will commence with the next bill following the receipt and processing of the BPP application by the District.
- The BPP amount the customer pays each month is based on the customer's billing history. The amount will be adjusted for the following conditions:
  - 1) During the true-up period in January the BPP Amount is recalculated to include any accrued balance, rate and/or consumption changes.
  - 2) The customer's accrued balance exceeds an amount equal to three (3) times the average monthly bill.
- Your bill will indicate the amount of the current bill, the BPP amount, and the accrued balance. Any deposits or fees are separate line items in addition to the BPP amount. Any billing adjustments will be factored into the next BPP amount.
- The District reserves the right to remove a customer from the BPP program when the customer does not pay the BPP amount and any other fees every month. When the account is removed from the program, any outstanding balance is due.
- The District will not charge or pay interest on the accrued balance, nor make cash refunds for monies accrued during participation in the BPP program.

### Application:

- To participate in the BPP program, please complete the attached application and mail to MID, PO Box 4060, Modesto, CA 95352-4060 or bring to our office at 1231 11<sup>th</sup> Street, Modesto.

## MID Balanced Payment Plan Application

### Terms

- The account will be removed from the program if there are two missed payments or two returned payments notices in a twelve-month period.
- Once the account is removed from the program by the District or at the customer's request, the account will not be eligible to participate in the program for a twelve-month period.
- The District reserves the right to remove a customer from the BPP program when the customer does not pay the BPP amount and any other fees every month.
- When the account is removed from the program, any outstanding balance is due.
- The District will not charge or pay any interest on the accrued balance, nor make cash refunds for monies accrued during participation in the BPP program.
