Modesto Irrigation District's MPower Home Rebate program offers residential customers incentives for the purchase and installation of qualifying energy efficient products installed in existing homes.

HOW DO I APPLY FOR A REBATE?

1. Read the Terms and Conditions for rebates below.
2. Read the MPower Home Rebate Catalog for limitations and product specific requirements.
3. Purchase (not lease) and install qualifying product(s) between November 1, 2017 and December 15, 2018.
4. Complete and submit the application and other required documents within 90 days of installation.
5. Send completed forms along with other required paperwork to:
MID, Attn: Energy Services
PO Box 4060
Modesto, CA 95352

Terms and Conditions

Availability

- Rebates are offered from January 1, 2018 through December 15, 2018 on a first come - first served basis, subject to availability of funds. MID rebate funding is not guaranteed until the application has been approved.
- Rebates are available only for products that are not required by or are in excess of CA Title 24 requirements, when applicable. MID may request Title 24 compliance documentation before approving any rebate.
- Rebates anticipated to exceed \$2,000 and all exceptions require pre-authorization of the MID Energy Services Department. Rebates are issued at the sole discretion of MID.
- Products can only receive one rebate from MID during its useful life period. Reapplication for rebate will not be accepted during this period.

Eligibility

- Rebates are provided for qualifying product(s) installed in a residential dwelling receiving electricity from MID to customers in good financial standing with MID (subject to MID approval).
- Qualifying products must be installed before submitting your application. It is the responsibility of the contractor and customer to ensure installation is done in accordance with all applicable city, state and national standards, codes and ordinances as enforced by the local compliance authority.
- The application and supporting materials should be legible, submitted to MID within 90 days of purchase date and postmarked by December 15, 2018. Exception: Applications for rebate items that are discontinued mid-year must be received by the end date noted in the program document.
- Owners of rental units should submit

a separate rebate application for each service address.

- For newly constructed homes, qualifying measures or products purchased and installed after the certificate of occupancy has been issued by the city or county are eligible for rebate under this program. For addition to existing homes, qualifying measures or products installed in the addition are eligible for rebate under this program provided the addition does not exceed 20% of the pre-existing floor area.

Processing

- Only complete applications will be processed for rebates. **Complete applications include signature, proof(s) of purchase and required documentation for all products referenced in the application.**
- For incomplete applications, MID will notify customer of missing documentation. If the required documentation is not received by MID within 30 days, the application will be voided.
- Rebates take from six to eight weeks to process.

Purchase

- Purchase qualifying product(s) new at retail price and install them between November 1, 2017 and December 15, 2018. These dates may change if funds are depleted sooner.
- Leases and/or performance based projects do not qualify for MID rebates. Previously owned equipment does not qualify for MID rebates.
- For all qualifying measures, the product purchase date is determined by proof of purchase documents, such as the customer acceptance date of a contract for services, a detailed itemized and dated paid invoice, contract or the printed date on a store cash register receipt. Proof of purchase document(s) must include price per product and detailed payment terms or "type of transaction" (i.e., cash, credit, etc.).

Inspection

- All product installations that receive a rebate are subject to MID inspection.
- MID reserves the right to request specific manufacturer specifications and/or data for any product.

Payment

- To Customers - Rebates of \$600 or less are issued as credit(s) on the electric account. Rebates greater than \$600 are issued by check.
- IRS W-9 form is required for rebates issued by check. IRS W-9 form must be current version (Rev. November 2017). MID is not responsible for any taxes that may be imposed as a result of these rebates.
- In no case will MID pay more than 100% of the eligible costs of the qualifying product(s) (excludes taxes, shipping and handling).
- Funds received from other sources may reduce the rebate amount from MID. Applicants are required to inform MID of any other incentives for which they have applied and/or may receive. These sources include all third-party energy efficiency programs offering direct funding, financing or rebates (other than tax credits). The funded amount(s) will be deducted from the actual and documented Project Cost and the maximum accrued rebate will not exceed net Project Costs.

General

- MID reserves the right, without prior notice, to periodically review and make changes to rebate program terms and conditions and to determine final program eligibility.
- MID makes no representation or warranty and assumes no liability with respect to quality, safety, performance or other aspect of design, system or appliance installed pursuant to this agreement and expressly disclaims any such representation, warranty or liability.
