## Appliance Rebate Application

### QUALIFICATIONS:

- All energy efficient products must be installed in a residential dwelling receiving electricity from MID and must be purchased new at the retail price.
- Offer is valid for purchases made on or after November 1 or until funds are depleted.
- All applications and supporting material must be postmarked no later than 90 days from date of purchase or by December 15th whichever comes first. In case of delayed installation, applicant may request an extension in writing; subject to MID approval.
- A copy of your sales receipt and supporting documentation including purchase date, installation date, purchase price, brand and model number must be submitted with this application form.
- Owners of rental units should submit a separate application for each service address.
- For questions regarding the program or for rebate status, please contact MID at (209) 526-7339.
- Your rebate will be credited to your MID account. Incomplete applications will be returned.
- Do not include rebate application with your MID electric bill.
- MID reserves the right to verify both the efficiency and installation of products before rebate is issued.
- MID is not responsible for items lost or delayed in the mail.
- MID disclaims any and all liability, loss or damage that may arise as a result of participation in this program.
- MID is not responsible for any taxes that may be imposed as a result of receipt of any financial rebates from MID.
- Rebate incentives may not exceed the cost of the energy efficient products.
- This program is subject to change or may end without prior notice. MID reserves the right to determine final program eligibility.

### Clothes Washer

ENERGY STAR® qualified clothes washer must be used in combination with an electric dryer. Limit 1 rebate per household within an 8 year period.

### Room Air Conditioner

Limit 2 ENERGY STAR qualified Room Air Conditioner rebate per household within an 8 year period.

### Electric Water Heater

Electric Water Heater must have storage capacity of 40 gallons or greater and must have an energy factor (EF) of .93 or greater. Tankless water heaters and instantaneous heaters do not qualify. Limit 1 rebate per household within a 15 year period.

**Mail completed application and supporting documents to:**  
MID Energy Services Department  
P.O. Box 4060, Modesto, CA 95352-4060
