

## Solar Photovoltaic (PV) Program Non-Residential Energy Efficiency Disclosure Agreement

**By installing all cost effective energy efficiency measures before installing a solar energy system, the overall system size and cost can be reduced.**

Please complete as indicated and sign below. Submit this form and a copy of the energy audit, benchmark rating, if required, with your MID Solar PV Reservation Request / Application Form.

Customer Name (Name as it appears on MID bill)	Account Number
Business Name (if different than Customer Name)	Business Phone Number
Service Address	City, State
Contact Name (if different than Account Name)	
Contact Job Title (Owner, Operator, Manager, etc)	Contact Phone Number

A PV system is to be installed and I am applying for MID PV incentives (rebate) for the address listed above

I have reviewed the billing history (minimum 12 months) for the address listed above.  
Available from MID upon request.

I used the following services / tools to learn about energy efficiency measures that could be installed at my business: Web links (Please circle all that apply):  
[www.mid.org/rebates](http://www.mid.org/rebates)   
 [www.gosolarcalifornia.ca.gov](http://www.gosolarcalifornia.ca.gov)   
 [www.fypower.org](http://www.fypower.org)   
 [www.energystar.gov](http://www.energystar.gov)   
 [www.cacx.org](http://www.cacx.org)

Other (please detail):

I had an energy audit completed on my business that identified cost effective energy efficiency improvements and estimated energy savings.

I have been informed of rebates and other incentives to help offset the costs of installing energy efficiency measures from MID. See [www.mid.org/rebates](http://www.mid.org/rebates) for more information.

I have installed the following measures at the address listed above:

I intend to install the following measures at the address listed above:

**Yes**     **No**    The building is greater than 100,000 square feet and a PV system of 30kW or less is installed.

- If yes and the benchmark rating is below 75, please complete the Non-Residential Commitment Agreement.
- If No, the Non-Residential Energy Efficiency Commitment is not required.
