## Solar Photovoltaic (PV) Program Photovoltaic System Details For Additional Arrays

Photovoltaic System Details				
PV Module Manufacturer		PV Module - Model Number		PV Module CEC-PTC Power Rating (watts)
Array Number		Array Orientation (South, SW, Flat, Tracker, etc.)		Number of Modules in Array
Array PTC Rating (Number Of Modules X CEC-PTC Module Power Rating) (watts)			Total Array CEC-AC Output (Array PTC Rating X Inverter Peak Efficiency) (watts)	
Inverter Manufacturer		Inverter Model Number		Inverter Peak Efficiency (CEC %) PV System Output (SO) (kW-PTCac)
CSI Design Factor (DF) %	CSI Rating (DF X SO)	CSI Annual kWh Generation
