

Applicability

This Schedule is applicable to all customer classes for customers served within the Mountain House Community Services District (MHCS D) as described in the Encroachment Agreement entered into on April 23, 1999, between the District and MHCS D.

Character of Service

Continuous 60 Hertz alternating current supplied at voltage determined by the District.

Territory Served

The area defined in the Master Specific Plan (MSP) adopted by the Board of Supervisors of the County of San Joaquin on November 10, 1994, and as described in Electric Service Rule No. 1.

Undergrounding Surcharge

Customers served within the MHCS D will pay a Surcharge over the rates specified in the appropriate Rate Schedule. The Surcharge shall not exceed 6.5% and will terminate when the District recoups the capital cost of the installation of underground facilities. The Surcharge will be applied to the customer's bill prior to any state surcharge(s) or applicable taxes. The Surcharge shall be:

MHCS D Surcharge 6.5%
