REV 11.19.2019
Modesto Irrigation District’s MPower Home Rebate program offers residential customers incentives for the purchase and installation of qualifying energy efficient products installed in existing homes.

Terms and Conditions

Availability
- Rebate amount is based on the program offering and funding levels applicable on the date the application is received and is offered on a first come – first served basis, subject to availability of funds. MID rebate funding is not guaranteed until the application has been approved.
- Rebates are available only for products that are not required by or are in excess of CA Title 24 requirements, when applicable. MID may request Title 24 compliance documentation before approving any rebate.
- Products can only receive one rebate from MID during its useful life period. Reapplication for rebate will not be accepted during this period.

Eligibility
- Rebates are provided for qualifying product(s) installed in a residential dwelling receiving electricity from MID to customers in good financial standing with MID (subject to MID approval).
- Qualifying products must be installed before submitting your application. It is the responsibility of the contractor and customer to ensure installation is done in accordance with all applicable city, state and national standards, codes and ordinances as enforced by the local compliance authority.
- The application and supporting materials should be legible, submitted to MID within 90 days of purchase date.
- Owners of rental units should submit a separate rebate application for each service address.
- Rebates are only available for products installed in existing homes.
- Rebates are subject to MID’s approval. MID reserves the right to request specific manufacturer specifications and/or data for any product.

Processing
- Only complete applications will be processed for rebates. Complete applications include signature, proof(s) of purchase and required documentation for all products referenced in the application.
- For incomplete applications, MID will notify customer of missing documentation. If the required documentation is not received by MID within 30 days, the application will be voided.
- Rebates take six to eight weeks to process.

Purchase
- Purchase and install qualifying product(s) new at retail price. See catalog for item details.
- For all qualifying measures, the product purchase date is determined by proof of purchase documents, such as the customer acceptance date of a contract for services, a detailed itemized and dated paid invoice, contract or the printed date on a store cash register receipt. Proof of purchase document(s) must include price per product and detailed payment terms or “type of transaction” (i.e., cash, credit, etc.).
- Leases and/or performance based projects and previously owned equipment do not qualify for MID rebates.

Inspection
- All product installations that receive a rebate are subject to MID inspection.
- MID reserves the right to request specific manufacturer specifications and/or data for any product.

Payment
- To Customers/Tenant - Rebates will be issued as a line item credit on customer’s bill. Landlords that submit for rebates on their property will receive a check. (See required W-9 information below).
- IRS W-9 form is required for rebates issued by check. IRS W-9 form must be current version. In requesting a W-9 MID makes no inference rebate is or is not subject to Federal and/or State income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. MID is not responsible for any taxes that may be imposed as a result of these rebates.
- In no case will MID pay more than 100% of the eligible costs of the qualifying product(s) (excludes taxes, shipping and handling).
- Funds received from other sources may reduce the rebate amount from MID. Applicants are required to inform MID of any other incentives for which they have applied and/or may receive. These sources include all third-party energy efficiency programs offering direct funding, financing or rebates (other than tax credits). The funded amount(s) will be deducted from the actual and documented Project Cost and the maximum accrued rebate will not exceed net Project Costs.

General
- MID reserves the right, without prior notice, to periodically review and make changes to rebate program terms and conditions and to determine final program eligibility.
- MID makes no representation or warranty and assumes no liability with respect to quality, safety, performance or other aspect of design, system or appliance installed pursuant to this agreement and expressly disclaims any such representation, warranty or liability.
