TERMS AND CONDITIONS

General

- MID reserves the right, without prior notice, to periodically review and make changes to rebate program terms and conditions, and to determine final program eligibility.
- MID makes no representation or warranty and assumes no liability with respect to quality, safety, performance, or other aspect of design, system or appliance installed pursuant to this agreement and expressly disclaims any such representation, warranty or liability.
- All product installations that receive a rebate are subject to MID inspection.
- Rebates are issued at the sole discretion of MID.

Availability

- Rebate amount is based on the program offering and funding levels applicable on the date the application is received and is offered on a first come - first served basis, subject to availability of funds.
- MID rebate funding is not guaranteed until the application has been approved.
- Rebates are available only for products that are not required by or are in excess of CA Title 24 requirements, when applicable. MID may request Title 24 compliance documentation before approving any rebate.

Eligibility

- Rebates are provided for qualifying product(s) installed in a residential dwelling receiving electricity from MID to customers in good financial standing with MID (subject to MID approval).
- Qualifying products must be installed before submitting your application. It is the responsibility of the contractor and customer to ensure installation is done in accordance with all applicable city, state, and national standards, codes and ordinances as enforced by the local compliance authority.

- Products can only receive one rebate from MID during its useful life period. Reapplication for rebate will not be accepted during this period.
- MID reserves the right to request specific manufacturer specifications and/or data for any product.
- The application and supporting materials should be legible, **submitted to MID within 90 days of purchase date.**
- Owners of rental units should submit a separate rebate application for each service address.
- For newly constructed homes, qualifying measures, or products purchased and installed after the certificate of occupancy has been issued by the city or county are eligible for rebate under this program.
- **Previously owned equipment does not qualify for a MID rebate.**

Processing

- Only complete applications will be processed for rebates. **Complete applications include signature, proof(s) of purchase, and required documentation for all products referenced in the application.**
- For incomplete applications, MID will notify customer of missing documentation. If the required documentation is not received by MID within 30 days, the application will be voided.
- Rebates take six to eight weeks to process.

Purchase

- Purchase and install qualifying product(s) new at retail price. See catalog for item details.
- For all qualifying measures, the product purchase date is determined by proof of purchase documents, such as the customer acceptance date of a contract for services, a detailed itemized and dated paid invoice, contract, or the printed date on a store cash register receipt.
- Proof of purchase document(s) must include price per product and detailed payment terms or "type of transaction" (i.e., cash, credit, etc.).

Payment

- To Customers/Tenant - **Rebates will be issued as a credit on the customer's MID bill.** Landlords that submit for rebates on their property will receive a check. (See required W-9 information below).
- IRS W-9 form is required for rebates issued by check. IRS W-9 form must be current version. In requesting a W-9 MID makes no inference the rebate is or is not subject to Federal and/or State income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. MID is not responsible for any taxes that may be imposed as a result of these rebates.
- In no case will MID pay more than 100% of the eligible costs of the qualifying product(s) **(excludes installation, taxes, shipping and handling, warranty costs, and minus any funds received from other sources).**
- Funds received from other sources may reduce the rebate amount from MID. Applicants are required to inform MID of any other incentives for which they have applied and/or may receive. These sources include all third-party energy efficiency programs offering direct funding, financing, or rebates (other than tax credits). The funded amount(s) will be deducted from the actual and documented Project Cost and the maximum accrued rebate will not exceed net Project Costs.
