RAINFALL
We've had close to four inches of rain in our local watershed over the last week. MID staff will be closely monitoring the additional rain forecasted over the next seven days.

ALLOCATION
Staff is still proceeding with a 36 inch capped allocation. This is subject to change at a later date depending on future hydrology.

TRANSFER POLICY
MID's standard water transfer policy is still in effect - water may be moved between parcels owned, rented or leased by the same party.

RULES & REGULATIONS
There are no proposed changes to the 2020 irrigation rules and regulations.

SPECIAL PROGRAMS
Any proposed special programs for the 2020 irrigation season will be considered at the next MID Board meeting.
